ADDED JORDAN EXTENSION // MAY 18-21, 2024
Dear ABOTA Friends,

I invite you to join me for the 2024 International Meeting aboard the Seabourn Encore for a sailing through the ancient wonders of Greece, Turkey and Cyprus with an optional pre-cruise in Athens and an optional post-cruise in Israel.

Start in Athens with either a one-night stay before sailing or three-night stay that allows for a visit to the Acropolis and other sites in the city.

We then board the ultra-luxurious Seabourn Encore in Piraeus and set sail for a 7-night sailing through the sparkling islands of Greece, ancient ports of Turkey and the island country of Cyprus. ABOTA will have half of the 300 suites onboard allowing us to have private events. All accommodations onboard the Encore are generously-sized and include a living area, balcony, walk-in closet and a bathroom with double sinks plus a separate tub and shower. Dining onboard features a multitude of options including The Grill by Thomas Keller of the famed French Laundry and Per Se. The spa offers an extra layer of luxury with many wellness treatments and rituals.

Our first stop is Mykonos (Greece), the postcard-perfect island that conjures up images of windmills and whitewashed buildings with doors and shutters that come in every shade of blue. There are beaches to stroll, narrow walkways lined with shops to scour and al fresco cafes to enjoy a glass of wine and fresh seafood. Next stop is Santorini (Greece), the most dramatic of the ports. Our ship will anchor in the sunken caldera that collapsed over 3500 years ago, creating present-day Santorini and the caldera bay. A stop in Kusadasi (Turkey) brings us to the ancient Greek mega-city of Ephesus, which contains one of the Seven Wonders of the Ancient World: the Temple of Artemis. The resort town of Bodrum (Turkey) invites us to soak up its relaxed vibe and stay a while over lunch with wine at one of the outdoor cafes or get out and hike the nature trails and take in the views. A day at sea is a welcome break to indulge in a spa treatment or enjoy all of the plush amenities onboard. Next port is Limassol (Cyprus), a beautiful palm-lined port and the island's largest seaside resort town. Here, there are medieval castles, remote mountain villages, archaeological sites and vineyards to explore. We disembark in Haifa (Israel), our last cruise port and the gateway to the start of the optional post-cruise in Israel.

Our home for two nights in the northern region of Israel will be The Setai Sea of Galilee, a stunning waterfront resort with villa accommodations for all ABOTA guests. Our stay in Jerusalem will be at the luxe Waldorf Astoria, located in the heart of the city. Most days will include an option of tours to select from such as those that center around religious sites and those that delve into everything from ancient archaeological sites to modern-day wineries producing wine from ancient vines.

As with any ABOTA trip, you will be surprised and delighted throughout. I hope you will join me for what will be an unforgettable ABOTA experience abroad.

With warmest regards,

La'Verne Edney

SEABOURN CRUISE // MAY 5-12, 2024

ANCIENT WONDERS: GREECE, TURKEY, CYPRUS & ISRAEL
SUNDAY, MAY 5, 2024  
Piraeus (Athens), Greece  
Embark | Depart 5:00 PM

Piraeus has been the port for Athens since 482 BC. Just a few miles from the city center, board Seabourn Encore and embark on an epic 7-night journey through the Greek Islands and other gems of the Aegean Sea.

MONDAY, MAY 6, 2024  
Mykonos, Greece  
Arrive 8:00 AM | Depart 6:00 PM

The quintessential Greek island of Mykonos is marked by whitewashed houses, domed churches, imposing windmills, and a labyrinth of winding streets designed to disorient pirates. Everywhere there is a dash of bright, bold blue - doors, shutters and window frames, sea and sky. The harbor bustles with colorful fishing boats, vendors selling fish and locals gathered with visitors in the casual seaside cafes. The port even comes with two beloved mascots, the pelicans Petros and Irini.

TUESDAY, MAY 7, 2024  
Thira (Santorini), Greece  
Arrive 8:00 AM | Depart 8:00 PM

“Thira, the Wild Island” and “Kalliste, the Fairest One” - all terms of endearment for this seductive, volcanic Greek island in the Sea of Crete. Extraordinary for its black sand beaches and sheer limestone cliffs, Santorini also showcases remnants of the Phoenician, Spartan and Minoan cultures, which fell under the island’s spell - an unvarying, irresistible lure that continues to this day. Fira, the picturesque, pedestrian-only capital, is reached from the seaport via a short cable car ride that offers thrilling views as you ascend.

WEDNESDAY, MAY 8, 2024  
Kusadasi (Ephesus), Turkey  
Arrive 8:00 AM | Depart 11:00 PM

Kusadasi, which means “bird island,” is set in a superb gulf known for its sparkling water, broad sandy beaches and large marina. The city has managed to retain a certain earthiness while doing a brisk trade in Turkish carpets and leather goods to visitors.
The town’s old quarter is a picturesque maze of winding streets and houses adorned with flowers and birdcages. In the center stands a 17th-century caravanserai, now converted into a hotel. The resort is also a gateway to important sites of archaeological and religious interest.

THURSDAY, MAY 9, 2024

BODRUM, TURKEY

Arrive 8:00 AM | Depart 6:00 PM

Today Bodrum is a picturesque yacht harbor filled with traditional wood-varnished sailboats, charming outdoor cafes and streets bursting with small shops selling carpets, leatherwear, jewelry and local artwork. In antiquity, it was the site of ancient Halicarnassus. Under King Mausolus, the city prospered, and in death, the king left the city its most enduring legacy, his majestic tomb, from which we derive the term “mausoleum.” Only its massive foundations remain today but it was the largest tomb ever built by the Greeks and one of the Seven Wonders of the Ancient World. Models on the site recreate its form for visitors. Alexander the Great attacked the city in 334 BC, leveling all but the Mausoleum, which was later destroyed by an earthquake.

When the Knights of St. John lost their castle in Smyrna in 1402, they came here. Finding the mausoleum in ruins, they used the stone to construct the Castle of St. Peter, which proudly stood sentinel to the city. Together with their fortifications on Kos and Rhodes, the Knights dominated the southeastern Aegean, running a hospital for passing pilgrims and ruling the seas as privateers in swift vessels. They remained until 1523, when Ottoman ruler, Suleyman the Magnificent, conquered Rhodes and the Knights’ position became untenable. The castle still dominates the harbor and houses an archeological museum.

FRIDAY, MAY 10, 2024

DAY AT SEA

Relax and enjoy the amenities onboard Seabourn Encore. Delicious dining options, world-class entertainment and enriching activities await.
SATURDAY, MAY 11, 2024

LIMASSOL, CYPRUS
Arrive 8:00 AM | Depart 6:00 PM

Limassol on Cyprus’ south coast is the island’s largest seaside resort. It meanders for ten miles along the coast with the Troodos Mountains providing a magnificent backdrop. Sunshine, blue sky and beaches are the criteria that attract scores of vacationers each year. The more adventurous traveler, too, finds worthwhile attractions, such as medieval castles, remote mountain villages, archaeological sites dating back to 7,000 B.C., and inviting cedar forests, orange groves and vineyards. Although the easternmost island of the Mediterranean, eastern culture is augmented by a large dose of European. Rome and Byzantium, the Crusaders and the Venetians, the Turks and the British have all left their traces. Since the Middle Ages, when the Crusaders held Cyprus under Richard the Lionhearted, Limassol has been known to traders for its wine and sugar cane. Today, the island’s second largest city is the hub of its wine-making industry and an important commercial center.

SUNDAY, MAY 12, 2024

HAIFA (TEL AVIV), ISRAEL
Arrive 7:00 AM | Disembark

Situated on the slopes of Mount Carmel, along one of the most beautiful bays on the Mediterranean coast, Haifa is Israel’s primary port. It also serves as an important gateway to the biblical and historical sites of this sacred land. Although the origin of Haifa is obscure, its name appears for the first time in the 3rd century A.D. in Talmudic literature. Over the years, Crusaders, Arabs, Turks and the British occupied the city. Today, this bustling city possesses the nation’s largest industries, several important museums and the respected Haifa Technical Institute. It is also the world center of the Baha’i faith, symbolized by a beautiful gold-domed shrine.

Disembark Seabourn Encore and continue on the Israel post-trip or return home.
POST-CRUISE // ISRAEL // MAY 12-18, 2024

SEA OF GALILEE + JERUSALEM
Dynamic. Innovative. Diverse. Spiritual. Israel is all of these things plus a side of political controversy and a healthy dose of breathtaking beauty.

After declaring independence and becoming a nation in 1948, Israel underwent rapid industrialization and is now a global leader in sectors such as agriculture, cyber and health.

Dubbed a startup paradise, Tel Aviv is one of the top startup cities in the world. Many goods and services that are regularly used worldwide have Israeli roots. Some of the recent notable companies to emerge from Israel include Wix, Waze, Monday, Fiverr, Mixtiles and SodaStream.

Israel is undoubtedly a modern industrial society deeply rooted in religion. For centuries, Jerusalem has been a place where different ideas, people and religions all intersect. Islam, Christianity and Judaism have all shaped so much of this part of the world and religious devotion runs through every facet of life here. It may be a collision of religions and cultures but a walk through the Old City of Jerusalem showcases a society where everyone comesling.

An abundance of different landscapes and diverse scenery make Israel a wonder to behold. In the north, there is Haifa also known as Israel’s San Francisco, the Sea of Galilee, the lowest freshwater lake on Earth, and the rolling hills of Golan Heights overlooking Syria. In the east is the still and serene Dead Sea, the lowest-lying land area on Earth. The sparkling Mediterranean Sea sits on the coast to the west. Although a good portion of the land is desert, there is still a significant portion that is conducive to growing an abundance of fruit and vegetables as well as vineyards that supply the many wineries producing excellent wines.
ADDED JORDAN EXTENSION!

POST-TRIP // JORDAN // MAY 18-21, 2024

PETRA + AMMAN
Set on the ancient crossroads between Arabia and the Mediterranean Sea, Jordan is full of historic sites. Crusaders’ forts along old trade routes and ancient cities carved from stone will captivate anyone in search of the past.

The ancient rose-colored city of Petra is a UNESCO World Heritage site, one of the Middle East’s greatest historical and architectural treasures and one of the New Seven Wonders of the World. Carved from solid ruddy-red sandstone more than 2,000 years ago, it is unlike anything you have ever seen.

In contrast, Amman, Jordan’s capital and largest city, is modern and sprawling. At the bottom of the city’s many hills and overlooked by the magisterial Citadel, you can find spectacular Roman ruins, an international-standard museum and the hubbub of mosques, souqs and coffeehouses that are central to Jordanian life.
Seabourn Encore is as strikingly beautiful and as excitingly innovative as any Seabourn has ever debuted. She crowns a fleet of luxury cruise ships that is already the newest, most modern and most acclaimed in the ultra-luxury segment. Seabourn Encore represents another welcome stage in the evolution of small ship cruising, which Seabourn pioneered and has consistently expanded and enriched for all of their small ship cruises.
