TROPICAL ADVENTURE

FEBRUARY 2024

Welina mai i Hawai'i

Welcome to Hawai'i

Join Elizabeth Ries and Ben Leber from Twin Cities Live as we travel to the tropical Islands of Hawai'i!

Discover the beauty, culture and adventures waiting for you on the Hawaiian Islands. Hawai'i is renowned for its natural beauty, but the culture and heritage of the islands are equally enticing and waiting to be explored. Whether you're intrigued by tropical adventure, secluded luxury or cultural immersion, Hawai'i has something for everyone.

TCL will be featuring the Island of Hawai'i as the main highlight and inclusion of our tour program, but then choose from two additional options to design your perfect Hawaiian getaway with TCL. Choose one, two, or all three experiences.

ISLAND OF HAWAI'I The island of Hawai'i is the youngest and largest island in the Hawaiian chain. Nearly twice as big as all of the other Hawaiian Islands combined (hence, its nickname, "Big Island"), its sheer size is awe-inspiring. You can travel through all but four of the world's different climate zones here, ranging from Wet Tropical to Polar Tundra, a result of the shielding effect and elevations of the massive volcanoes Maunakea and Maunaloa. From the many geological features at Hawai'i Volcanoes National Park to the snow-capped heights of Maunakea; from the lush valleys of the Hilo and Hāmākua Coasts to the jet-black sands of Punalu'u Beach, the island of Hawai'i is an unrivaled expression of the power of nature. However you decide to experience the island, it is sure to leave you humbled!

O'AHU Sometimes called "The Gathering Place," O'ahu certainly lives up to its name. The third largest Hawaiian Island is home to the majority of Hawai'i's diverse population, a fusion of East and West cultures rooted in the values and traditions of the Native Hawaiian people. It's this fundamental contrast between the ancient and the modern that makes discovering O'ahu — from bustling city life to laidback surf towns — so enjoyable.

MAUI Known also as "The Valley Isle," Maui is the second largest Hawaiian Island. The island is beloved for its world-famous beaches, the sacred 'Īao Valley, views of migrating humpback whales (during winter months), farm-to-table cuisine, and the magnificent sunrise and sunset from Haleakalā.

With both of our TCL hosts traveling on this adventure, you don't want to miss out on all of the fun!

TOUR HIGHLIGHTS

KAHUA RANCH AND PANIOLO EXCURSION FOLLOWED BY A SUNSET BARBEQUE

Nestled on the western slope of the Kohala Mountains, Kahua Ranch sits at 3,000 feet above sea level, providing breathtaking panoramic views of the Pacific Ocean and Hawai'i Island. This 8,500-acre private working ranch is home to many cattle, sheep, and horses and they take great pride in caring for the aina (land) and providing high quality, natural products to many residents and restaurants throughout Hawai'i.

The long history of the Hawaiian Cowboy, or "Paniolo," dates back before the time of America's Wild West era. In 1793 King Kamehameha was gifted sheep, longhorn, and one bull by George Vancouver, an esteemed officer with the British Navy. The king brought them to the Big Island and placed a kapu (forbidden rule) on the cattle. That customary restriction banned hunting of the cattle for a decade allowing them to flourish. In 1832, King Kamehameha III sent one of his chiefs to California to enlist several vaqueros (Mexican Cowboys) who could aid in corralling the many wild cows and teach the Hawaiians horse handling skills.

A whole new genre of culture in Hawai'i emerged and these Hawaiian Cowboys were deemed 'Paniolo' by their Spanish speaking counterparts. The culture was vibrant and colorful and there was pageantry with beautiful floral leis and greenery in local parades with each Island having a distinct look. There was also music that came forth from this culture with the slack key guitar sounds which now have become synonymous with the Paniolo.

Ranchers will provide a welcome talk story on the history of Kahua Ranch. Afterwards, ranch activities begin, including a roping demonstration, horseshoes, and the opportunity to brand a souvenir shingle. As activities come to a close, take in the setting sun while enjoying the sound of live country music. After dinner, enjoy line dancing to the live country band, and Smore's around the campfire.

PRIVATE TCL HAWAI'I LOA LUAU

Enjoy the elegance and beauty of the Kohala Coast and the ambiance of the land area known as Kalāhuipua'a. Steeped in tradition and history, Kalāhuipua'a is known as a gathering place for Ali'i (royalty) and special visitors. An evening at the Hawai'i Loa Luau is full of this same tradition of Hawaiian culture and hospitality.

Experience an evening of special memories... the finest cuisine prepared by an award winning culinary team.... an internationally renowned cast sharing the stories of Hawai'i through live music and dance.

Storytelling begins as beautiful hula dancers and talented musicians share the tales of Polynesia's brave and courageous voyagers - as they traveled to Hawai'i and established this land. Their family from Tahiti shares the stories of their journey to Hawai'i, with the lively beat of the toere drum. Hear the story of their home, with traditional hula. The influence of other cultures can be seen in the evolution of costumes and hula motions as they share the unique and incredible history of this Island of Hawai'i.

Included is a spectacular buffet and beverages offering the freshest and finest ingredients found in the islands.

TOUR HIGHLIGHT

HISTORIC HONOLULU & PEARL HARBOR TOUR

This unforgettable tour begins with a narrated tour of downtown Honolulu, where you will see the impressive state buildings and learn about 'Iolani Palace (the only royal palace on American soil), as well as visit the majestic statue of King Kamehameha (the great Hawaiian warrior-king who united the Islands), and the Hawai'i Capitol. Continue to the historic National Memorial Cemetery of the Pacific at Punchbowl, a historical landmark where we honor the many men and women who served in the Armed Forces. Next you will experience a visit to the Pearl Harbor Visitors Center, the largest visitor attraction on O'ahu, to take in the many exhibits and board a Navy boat shuttle for a tour of the harbor along battleship row, with the opportunity to disembark onto the USS Arizona Memorial. The USS Arizona Memorial, built in 1962, was declared in honor and commemoration of the members of the Armed Forces of the United States who gave their lives during the attack on Pearl Harbor. The United States Navy specified the memorial to be a bridge floating above the ship. Architect and designer Alfred Preis has explained "Wherein the structure sags in the center but stands strong and vigorous at the ends, expresses initial defeat and ultimate victory. The overall effect is one of serenity." Time will be spent on the Memorial with park rangers on hand to answer questions. The assembly room features large open windows to view the surrounding Pearl Harbor and Old Glory flying above the memorial. A viewing window in the memorial's floor allows guests to overlook the sunken decks and a marble wall bears the names of all those who gave their lives on the USS Arizona.
