Hawaii

land of aloha

It's easy to see why Hawaii has become synonymous with paradise. Just look at the sugary beaches, technicolor coral reefs and volcanoes beckoning adventurous spirits. Each island in the Hawaiian chain has a unique personality and offers visitors different types of experiences. This Mayo Clinic tour of Hawaii will feature stays on Oahu, Hawaii (the Big Island) and Maui. Expect adventure, history and culture, stunning landscapes and cool Hawaiian vibes.

OAHU

"The Gathering Place" is an island of diversity offering a wide variety of attractions from the quiet beaches of Kailua to the pounding surf of the Bonzai Pipeline at North Shore. Waikiki remains the center of activity with its world-famous beach, excellent dining and shopping and lively nightlife.

HAWAII (BIG ISLAND)

"The Big Island" is the largest and youngest of all the Hawaiian Islands. Physically, it is larger than all the islands combined. Steeped in legend, this island is still growing. Experience erupting volcanoes at Volcanoes National Park, the snow-capped mountain of Mauna Kea, the shopping and dining in Kona Village, black sand beaches, waterfalls... and so much more!

MAUI

Maui no Ka oi: Maui is the best. This is a phrase you will see and hear throughout the island. It is truly what most visitors imagine Hawaii to be. The giant humpback whales spend their winters in the waters of Maui and when they frolic, the entire island stops to watch. A winding drive to Hana ending at Seven Sacred Pools, an early morning bike ride down Haleakala, afternoon snorkeling at Black Rock to view turtles... these are just a few activities that you can partake. The adventures are endless!
