Dear ABOTA Travelers,

Flights for the ABOTA 2021 international trip to Peru will be available to book starting on June 26 (main trip only) and June 29 (main trip & post-trip). I am happy to make flight reservations for you if you are planning on purchasing tickets. I can access all the airlines' schedules and fares that work from your departing airport and I can look for the lowest economy and business-class fares.

### **International Arrivals:**

For the main trip, you will need to fly into Lima International Airport (airport code: LIM) to arrive on May 14, 2021. If your flight arrives early enough on this day, there will be an optional walking tour of Miraflores available. The evening is free and there are no planned group activities/meals this day.

### **International Departures:**

If you are ending your trip after the main trip, your departure will be from Lima International Airport on May 21, 2021. We will arrange the internal flight from Cusco Airport to Lima International Airport for you to connect with your international flight home. Most flights returning to the US depart late in the evening. You will want to make sure your flight does not depart before 6:00 pm.

If you are joining the Amazon River Cruise post-trip, your international departure will be from Lima International Airport on May 24 or 25, 2021 (May 24 for Aria Amazon and May 25 for Aqua Nera). We will arrange the internal flight from Iquitos to Lima International Airport for you to connect with your international flight home. Most flights returning to the US depart late in the evening. You will want to make sure your flight does not depart before 6:00 pm.

Carrousel Travel offers a program called "Pay with Points" for travelers who have American Express Membership Rewards points *and* wish to redeem points for cash back credit. The cash back credit is 1% of the points redeemed and tickets need to be purchased with your American Express card.
