

PREPARING FOR FUTURE TRAVEL

+ WHAT YOU NEED TO KNOW

Until a vaccine is available, traveling has become an unknown quantity. To understand when and who can travel, the answers to the following questions are needed.

COMPANY + EMPLOYEE + GOVERNMENT + SUPPLIERS = PERMISSIBLE TRAVEL

COMPANY

- What type of travel is allowed now?
- When do you review this plan and adjust it?
- What approvals are needed prior to the trip?
- What additional risks are you accepting by allowing this travel?
- Who will be able to travel, by position, by person, etc?

EMPLOYEE

- Is the employee agreeable?
- What concerns do your employees have?
- What support of PPE is needed for travel?
- Will you provide PPE to your employees?

GOVERNMENT

- Are Country and State borders allowing travel?
- What are the additional entry requirements?

SUPPLIERS

- What are suppliers requiring upon arrival?
- Are your preferred suppliers available and accepting new business?
