Lobster is king in New England. No visit is complete without indulging in a juicy lobster roll or claws drenched in melted butter while in Maine. All along the coast, you'll find fresh oysters, fish and chips, rich, creamy chowders, craft beers, and locally produced wines. Walk the quaint streets passed stone houses, churches, cafés, and abandoned military fortifications that at one time helped to hold invading forces at bay.

The fascinating heritage of Quebec City begins in The Old Town (Vieux-Quebec) district. Located on the city harbor on the bank of the St. Lawrence River, this well-preserved neighborhood was first established over 400 years ago as a permanent French settlement and is also an UNESCO World Heritage site. Explore the wonderful historic attractions and landmarks as you make your way along the narrow streets, including Le Chateau Frontenac (1893) and Cathedral-Basilica of Notre-Dame de Quebec (1647). Sample the best of Quebecois cuisine at one of the many fine dining establishments in the neighborhood with menus that reflect truly Canadian, yet very European-inspired gastronomy.

Quebec has many museums, but Musée de la Civilisation is by far the most popular in town and definitely worth a visit. Experience the stimulating interactive, participatory exhibits and one exhibit of note explores the cultures of Quebec's native populations. Dive into Quebecois history with a state-of-the-art 30-minute sound and light show at Musée du Fort. The whole family will enjoy the riveting story of the six sieges of Quebec City and accompanying history lesson.

A Quebec cruise would not be complete without sampling the quintessential dishes of the region. Head to a Quebec City brasserie for classic comfort

foods, like traditional Quebecois poutine, Montreal-style bagels, and savory tourtière (meat pies).
